

# INVESTING IN A BUTLER EDUCATION

AN INVESTMENT IN BUTLER covers some of the most meaningful years of your life. Here, you'll learn the intangibles that will make you distinct: the personal reward of always doing more than expected and the deep satisfaction of sincere service to others.

In addition, a Butler investment gets you a personal academic experience that's ranked first in the Midwest, provided by faculty who will inspire and motivate you. It provides unrivaled opportunities to live what you learn through internships, study abroad programs, undergraduate research, performances, and creative projects.

Our students are at the heart of every decision we make. That's why we'll offer you the best financial aid package we can, right from the start. We want to make the dynamic Butler experience attainable for you so you can add you and your family to the Butler community.
