

**ITHACA COLLEGE**

**We're a natural habitat  
for doers, dreamers,  
and difference-makers.**

**A PLACE CALLED PROGRESS**

# Discover your place in a community like no other.

Artists, entrepreneurs, scientists, and scholars—humanitarians and contrarians—collide and collaborate here to make our world better. As an IC undergrad, you'll work closely with expert faculty, access professional and graduate-level opportunities, and connect with career networks that will stretch and support you for life.
