The Academy: Academic Courses and Tutoring

Now more than ever, families need academic support—and a strong GPA is essential for students seeking admission into elite schools. This is why The Princeton Review has developed stellar academic programs to help middle and high school students succeed.

On-Demand Tutoring for 4th-12th Graders

Our on-demand tutors are online 24 hours a day, 7 days a week, ready to connect in minutes and answer questions in 80+ academic subjects. We help thousands of students with their homework every school night! Go to princetonreview.com/academic-tutoring to learn more.

The Academy Courses

The Academy is a unique LiveOnline educational program that guarantees an A.* Through interactive, engaging instruction, our teachers help students gain a deeper understanding of challenging academic areas and improve their performance in school.

Courses Include:

- 32 Hours of Instruction: Eight 3-hour classes and four 2-hour office sessions
- Small Group Instruction: Course enrollment is limited to 10 students
- Grade A Guarantee: You will receive an A, or go up a full letter grade, or get your money back.*
