

SpringPath

The Student Network

Students Connect

WHO WE ARE

SpringPath is an online student network devoted to bringing you a full suite of powerful tools designed to make your path to higher education faster, more effective and easier to navigate.

WHY JOIN US?

BUILD YOUR NETWORK

A one-stop information hub allowing you to search, match and connect with students and schools to help make informed decisions.

STAY INFORMED

Follow schools and their programs to receive updates on events, financial aid, scholarships and more. Download iOS/Android App for real-time notifications.

EMPOWERMENT

Recruiters search for new students to join their programs every day. Build your profile, share your background and let them find you.

OUR BEST TOOLS

Student Profile

Promote yourself! Share your background with potential recruiters from multiple schools. Add your academic accomplishments, work history & sports achievements.

Newsfeed

Connect with students and follow school profiles. When they post new information, you will receive automatic updates in your newsfeed.

School Matching

Using a matching algorithm based on interests you put in your student profile, we match your interests to school offerings to help increase your success.

iOS/Android App

Use SpringPath.net online or download the smartphone app to received real-time updates and posts from your newsfeed.
