Keynote Speaker

Be the ONE! **John Hodge**

ABOUT THIS SESSION: The education of America's youth is a challenging prospect when one considers the many burdens faced by impoverished children and their families. Research indicates that poverty need not be a barrier to academic excellence. As co-author of the book *Standing in the Gap*, Dr. Hodge states, "Across the nation, schools are demonstrating that it can be done: That students can reach high standards, that all children can succeed, that the gap between white and minority students, poor and affluent, can be closed." More often than not, one caring adult can make all the difference in the world. This presentation will encourage all of us to BE THE ONE.

SPEAKER BIO: Dr. John Hodge is president and co-founder of Urban Learning and Leadership Center (ULLC), an organization focused on student achievement and reduction of the achievement gap. He has served as a Reading, English, and AVID teacher, Assistant Principal and Associate Director of AVID Center Eastern Division. He served as Director of An Achievable Dream Academy, an inner city school that piloted many of the interventions used by ULLC. An Achievable Dream Academy is a high performing, high poverty school that has received numerous national awards. Before his career in education, Dr. Hodge distinguished himself in the service of our country with the 7th Infantry Division of the US Army.

What sets Dr. John Hodge apart in the field of education is his well-documented ability to put research and theory into everyday practice in rural, urban and suburban schools. He has served as an inspirational speaker at national, regional, and statewide conferences across the United States. His presentations are often "the spark" for schools in their quest to meet and exceed state/federal accreditation standards and implement strategies for continuous improvement.

John will also be presenting two breakout sessions.
