FORTUNE FAVORS **THE BOLD**

A future career starts with a good job...
a job that can't be outsourced, that pays well,
offers health benefits and retirement plans and
provides opportunities to grow.

The Laborers' International Union of North America, also known as LIUNA, can offer all this and more. The first step is through our registered apprenticeship program. Experience in construction is not needed, only the desire to be bold, learn, and work hard.

As a LIUNA Construction Craft Laborer apprentice, you will "earn-as-you-learn" and receive all the training you need for free!
