

A FUTURE IN CONSTRUCTION

Your participation in Skills USA will help you gain a better sense of what you want to do in this next stage of your life. Graduation is approaching and college may not be right for you. Your interest in building and sense of accomplishment through hard work translates to a career with the Laborers.

Your future awaits, and LiUNA wants to help you succeed from the start. LiUNA will take care of training you into a skilled construction laborer, but you are in control of when that future can begin when you give LiUNA a call.

Take the first step to becoming
a construction craft laborer by

TRAIN FOR SUCCESS

Have no experience in construction? No problem! Whether you have minimal or extensive construction experience, your participation in LiUNA training will ensure you are properly trained for a wide range of construction jobs. As a good-standing LiUNA member, LiUNA training is completely free.

Great Plains Laborers is home to 2 LiUNA training centers that hold various classes year round. LiUNA training instructors teach through a combination of classroom and hands-on demonstrations. Nearly 100 training courses exist in the three main categories of work LiUNA Laborers perform: heavy/highway, building and environmental cleanup.

WHAT DOES IT MEAN TO BE A CONSTRUCTION CRAFT LABORER

As a skilled construction laborer with Laborers' International Union of North America (LiUNA), many opportunities open up to you. As long as you work hard and live a drug-free life, you'll continue to have access to those opportunities. Once you have fulfilled all training requirements, you are eligible to work on the projects of LiUNA's signatory contractors that partner with LiUNA to make sure they have enough workers to staff their projects.

Some examples of skilled Laborers work include:

- Concrete placement
- Demolition
- Landscaping
- Pipe laying
- Road and Bridge building
- Environmental clean up
- Mason tending
- Tending Carpenters
- GPS and project layout
