

15 PATHWAYS TOWARD A NEW CAREER

FOR YOUR STUDENTS:

• Student career planning resources

• Virtual 360° tours of our campus classrooms and labs

• Digital program guide

+ DEAR SCHOOL COUNSELORS,

Now that school is underway, I'm reaching out to let you know that Universal Technical Institute is here to support you and provide information relevant to your students who may be interested in pursuing STEM careers.¹

UTI's blended learning approach provides training both online and in-person (hands-on)² to better prepare our students with the skills necessary for careers after graduation.

HOW CAN WE HELP YOU?

We are here to support you whenever you need us! We would be happy to discuss your professional development and your students as they begin planning for what is next after high school.
