

Offer **Real World** **Experiences** for **Your Students**

Ensure all students have equitable access to local work-based learning opportunities that help them connect the classroom to the real world.

For Students:

- ✓ **Explore career opportunities:** Students can explore jobs based on their location, interest, and opportunities.
- ✓ **Find work opportunities:** From internships to job-shadowing and job opportunities, make these opportunities easily accessible to all students.

For Career Directors and WBL Coordinators:

- ✓ **One to Many:** Easily reach all students where they are, on their phones and laptops.
- ✓ **Stay Organized:** Manage a database of industry contacts and keep track of opportunities, events, and data to satisfy state requirements, grants and your entire WBL program.

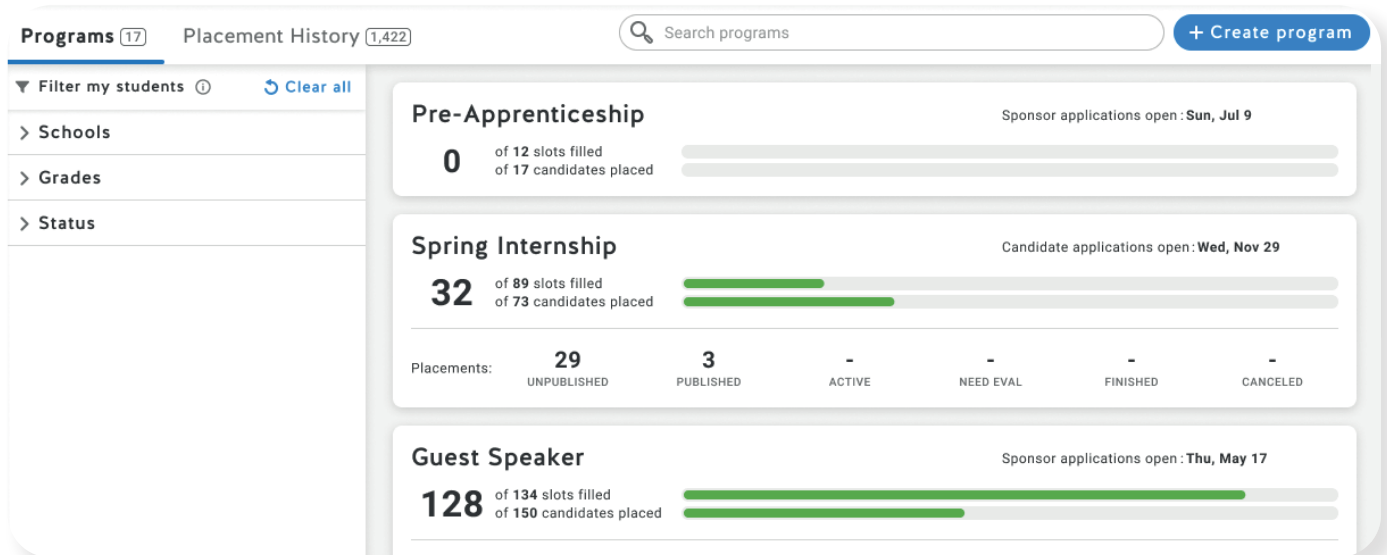

For District Administrators:

- ✓ **Single Platform for CCR:** Make your team more efficient by having a single platform for college and career readiness.
- ✓ **WBL Program Efficiency:** Track efficiency of industry partners and know what programs are best serving your students.

Facilitate Matching of Students with the **Real World**

Create and Manage Your Partner Network

SchoolLinks' nationwide network means when you join SchoolLinks, you also join an employer/industry network to easily segment or add to your existing partner network.

Customize Your Partner Management

SchoolLinks' industry partner management is fully customizable allowing you to track, and filter, by any custom field.

Invite partners to interact with your district

Create your entire calendar and let industry partners opt-in or select the events they want to participate in.

Programs to Capture Student and Company Requirements

Ensure that companies and students are a good match by sharing district defined WBL program requirements.

Capture Requirements for State Reporting

Allow students and partners to upload and share documents.

Track Student Hours and Experiences

Easily track students' hours and allow district staff as well as employers to verify within the same platform.
