

BIGFUTURE SCHOLARSHIPS

Turn Students' College Planning Efforts into Scholarships

Help thousands in the class of 2023 earn millions in scholarships by planning for college on Big Future. All students are eligible to win \$500 and \$40,000 for use at two- or four-year institutions. There are no minimum GPA, test score, citizenship status, or family income requirements. Drawings for \$500 and \$40,000 are held every month starting in 2022. The sooner that students complete steps and the more they take, the more entries they'll earn. Their entries for each month will be included in future drawings. Students whose families earn less than \$60,000 per year have extra chances at Big Future Scholarships and earn double the entries for every drawing.

-
- 1 Build A College List: \$40,000 and \$500**
