

# Vaping Me Crazy!

**Youth E-Cigarette and Vaping Prevention  
#1 Requested School Assembly in America**

## EDUCATING YOUTH ON THE DANGERS OF DRUGS

***Michael DeLeon & Steered Straight School Assemblies  
have now reached over 14 Million Students across all 50 States.***

Our school assemblies also include the truth about fentanyl and its effects on youth today.  
Students learn the facts and how taking just one pill can kill you.

*"I thought Michael's presentation was wonderful. I love when the kids get to hear a personal testimony that's happened to someone's life that can affect theirs. Michael does such a great job and I hope he continues to impact millions more students." – P.B., Counselor, Davidson Academy*

Online courses are available for ***Vaping Me Crazy*** and ***Fentanyl: Fake & Fatal*** at [www.courses.steeredstraight.org](http://www.courses.steeredstraight.org)
