FOUNDATION FOR CHILDREN  
PREVENTION EDUCATION PROGRAMS

**MBF Prevention Education Programs** are comprehensive, evidence-based/evidence-informed programs based on polyvictimization research. All programs teach universal Safety Rules and address all types of child abuse (sexual, physical, emotional, neglect), bullying, cyberbullying, digital dangers, exploitation and trafficking, eliminating the need for multiple single-topic programs.

**PROGRAM FEATURES AND BENEFITS:**

- Cost effective and easy for schools/organizations to implement
- Age- and developmentally appropriate for youth
- Trauma informed, incorporate social-emotional learning competencies, use active learning strategies, and provide skills practice opportunities for youth
- Helps schools/organizations meet required bullying, child safety, child abuse, dating violence, and trafficking prevention requirements (i.e. Erin's Law)
- Reinforcement materials for youth, parents/caregivers and schools are included
- Created, reviewed, and supported by national prevention and education experts
- Facilitators present turnkey scripts and interactive PowerPoints (2 or 4 lessons per classroom per year)
- Facilitator training available (in-person or online)

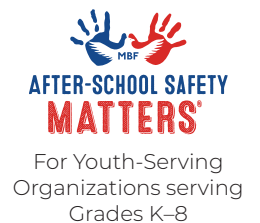

**EVIDENCE-BASED:**

- *MBF Child Safety Matters*® has been found to be a quality and effective program by four independent research studies.
- Other MBF programs are based on the same theoretical concepts and the same best-practice prevention strategies ensuring their effectiveness. A research evaluation of the *MBF Teen Safety Matters*® is currently ongoing or currently underway.

**ADDITIONAL RESOURCES INCLUDED WITH MBF PROGRAMS:**

- *MBF Mental Health Matters*™ - Mental Health/Substance Abuse supplemental lessons
- **Intellectual and Developmental Disabilities (I/DD) Facilitator Adaptation Guide** - Developed to assist MBF Facilitators in presenting school-based lessons to students with a range of learning and intellectual disabilities
- **MBF Nearpod Lessons** - Interactive lessons for in-person, remote, or hybrid delivery
- **Trainings for parents/caregivers and staff** - Including online professional development trainings and recorded webinars

**MBF Programs are trusted and supported by thousands of schools and have been delivered to more than 10+ million students in the U.S. and internationally.**

**About the Monique Burr Foundation for Children**

The Monique Burr Foundation for Children (MBF) is a nonprofit organization founded in 1997. MBF is dedicated to providing the best prevention education programs to protect children and teens from victimization. MBF Prevention Education Programs are comprehensive, evidence-based/evidence-informed, primary prevention programs that educate and empower youth (and all relevant adults) with information and strategies to prevent, recognize, and respond appropriately to all types of child abuse, exploitation/trafficking, bullying, cyberbullying, teen dating violence, and digital dangers.

**ADDITIONAL PARTNERS**

MBF is proud to partner with many schools and organizations across the U.S. as well as national leaders in child abuse prevention.
