

Build a culture of college and career readiness

Success is measured one student at a time.

Our 3 Main Goals

To help your students explore options after high school

To help your students become college and career ready

To help your students decide on a postsecondary option

Gain access to **transformative near-peer mentoring**

We're in this together! Kentucky College Coaches serve to support your school's efforts in high school completion and college and career readiness.

The benefits of hosting **Kentucky College Coaches:**

Benefits to Schools

- ✓ Higher post-secondary attendance rates, test scores, and graduation rates
- ✓ Motivated and engaged students
- ✓ Additional support for guidance offices

Benefits to Students

- ✓ ACT prep
- ✓ College and career exploration
- ✓ Support in applying for college, scholarships, and financial aid
- ✓ Individual and group mentoring sessions

KCC mentored students are

16% more likely to attend college

Than those who don't participate in the program

In 2017, KCC core students earned over

\$6.8 million

In scholarship awards

More than

100 schools

Across Kentucky are currently hosting a Kentucky College Coach

Coaches spent

4,663 hours mentoring core students in 2017.

That's 194 days of mentoring hours—9 days longer than the average school year in Kentucky!
