

Do you have a passion for education, mentoring, and making a difference?

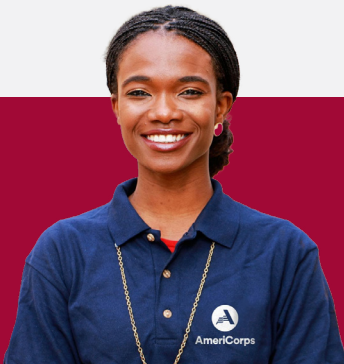

Kentucky College Coaches Needs You!

What is Kentucky College Coaches?

Kentucky College Coaches is a statewide AmeriCorps program that places mentors in both secondary and post-secondary schools to support college access and student success. These AmeriCorps service members are tasked with acting as coaches to selected students, helping them be successful in all aspects of their school career.

What is it like being a Coach?

High School

At the high school level, you will inspire, encourage, and support students in applying and achieving acceptance into college or vocational training. This involves planning school activities as well as providing one-on-one coaching with students in grades 9 - 12.

College

At the college level, you will plan campus events and activities that promote career readiness through direct mentoring, support of high-impact practices, or community engagement.

What are the Terms and Benefits?

1 year term (can go up to 4 terms)

Full-time hours (approximately 37.5 hours a week)

Monthly stipend of \$1610

Education award up to \$6500 upon fulfillment of term

Federal student loan forbearance eligibility

Exciting professional development opportunities
