#### Why Steered Straight?

When you book a day with Steered Straight,  
you get so much more than just a talk about  
drugs.

Right after school, we provide a one to two  
hour Staff Professional Development and a  
two-hour Parent/Community Academy that  
same evening.

Our "Back to the Classroom" year-long curriculum gives you  
access to "Stay In Your Lane!," our 8 video continuing  
education series and our core curriculum support program.  
It's these additional actions that sets our program apart.
