# FY23 YEAR IN REVIEW

VIRGINIA LOTTERY

## A WIN FOR Education

MORE THAN \$12 BILLION TO VIRGINIA'S K-12 PUBLIC SCHOOLS SINCE 1999

- Each year, Lottery proceeds represent ~10% of Virginia's education budget.
- 1/3 of Lottery proceeds go directly to Virginia K-12 public schools.
- 2/3 of Lottery proceeds go to specific programs.

## VIRGINIA LOTTERY (804) 692-7777

You can cash a winning ticket in the Virginia Lottery app, at a Virginia Lottery retail location or at one of our office locations across Virginia. Prizes up to \$600 can be cashed at a Lottery retailer. Prizes of up to \$5,000 can be cashed in the app.

For a listing of office locations, visit [valottery.com/contactus](http://valottery.com/contactus).

If you have an organization and would like a Virginia Lottery spokesperson to speak with your group about the Lottery's benefit to education, email us.

## A MESSAGE FROM THE Virginia Lottery

One of the most familiar visual images of lotteries is the oversized check that a person who wins a large prize receives. We've all seen photos of an incredibly lucky person posing proudly with that huge check. While we had many of those winners in Fiscal Year 2023, the biggest winner during the year was Virginia K-12 public schools, which received more than \$867 million in Virginia Lottery profits from Fiscal Year 2023.

Every school district in Virginia receives a portion of that money. You can check the list of school districts in this brochure to see how much each received, according to Virginia's Department of Education.

The \$867 million is a record, and all of us who work at the Virginia Lottery are proud of it. Those profits were generated via more than \$4.6 billion in sales. It's the first time we've had more than \$4 billion in sales in a single fiscal year.

The Lottery supports K-12 public education in other ways too through initiatives such as the acclaimed Thank a Teacher program and the sponsorship of a variety of education events across Virginia. The Virginia Lottery benefits all Virginians because the Lottery exists to benefit Virginia K-12 public education.

# HOW DOES IT ALL WORK?

## Virginia Lottery Sales

With each purchase of a Lottery game, you contribute to Virginia's future and help the Lottery live its mission.

## Lottery Proceeds Fund

The Lottery deposits 100% of profits from the sale of games into the Lottery Proceeds Fund, which is designated by the Constitution of Virginia to support local public education across the Commonwealth of Virginia.

## Virginia Department of Education

VDOE distributes all education funding, including the Lottery Proceeds Fund dollars, to school divisions across Virginia. Distribution is based on the approved state budget and other factors that include student enrollment and prioritized programs.

## Virginia's Public School Divisions

Each school division allocates funds to its schools.

## FY23 DISTRIBUTION OF Lottery Proceeds to Virginia's K-12 Public Schools

This list, provided by the Virginia Department of Education, details the more than \$867 million of Lottery proceeds funding available during FY23. Localities receive these funds through programs, such as K-3 class-size reduction, SOL Algebra Readiness, early reading intervention, etc., as authorized by the General Assembly in support of K-12 public education. Localities are counties unless otherwise noted.

Accomack	\$6,128,966	Buchanan	\$2,595,925
