# WHERE YOU'RE HAVING FUN

One day you feel like catching a basketball game. The next, you want to take a class on how to make a planter. Later in the week, maybe you're feeling cultured and want to take in some art at a Gallery show. Maybe you want to play volleyball in the mud. (It's a thing here, trust us). The point is, there is a lot of fun to be had, and your days can be as action-packed as you want them to be.

<sup>+</sup>If you apply for admission without these test scores, your application will be evaluated based on high school records such as GPA, class rank, courses taken, and other relevant criteria. However, test scores can help in determining admissions decisions, testing requirements, and scholarship opportunities.

<sup>\*\*</sup>UTA welcomes applicants from non-ranking public or private high schools. You must meet the requirements outlined above and will be considered for admission based on individual review.

<sup>\*\*\*</sup>The SAT score is calculated by combining the highest Evidence-Based Reading, Writing, and Math scores. The ACT score is the composite score, which includes the English, Reading, Math, and Science sections. UTA does not require an essay.

<sup>\*\*\*\*</sup>If you have 23 credit hours or less, you are considered to be a freshman student and must meet freshman and transfer admissions requirements.
