

WHAT IS CAREER CONNECTIONS?

Career Connections is a complete curriculum created by Instructors from the Carpenter International Training Program and experienced carpenters specifically designed for high school students to introduce them to the crafts and trade of carpentry. With skill-based project books, Career Connections serves as a framework of preparation for advanced training in a registered United Brotherhood of Carpenters apprenticeship program. This program gives you the tools you need to succeed!

ONE TRADE. MANY CRAFTS.

ALSO INCLUDED ARE RESIDENTIAL & FRAMING, LATHERS, INTERIOR SYSTEMS, MILLWORKERS/CABINETMAKERS.

Curriculum features and benefits include . . .

- Lesson plans.
- Working drawings.
- Grading rubrics.
- Customizable assessments.
- Test generation software and a virtual shop using 3D video.
- Local support to help you every step of the way.

Career Connections gives you the opportunity to . . .

- Add an exciting, comprehensive, time-tested, and educationally proven curriculum.
- Expose students to the latest, most advanced training course in any school.
- Expand students' knowledge and skill set, prepping them for a future career.
- Help students build concrete skills so they can enter apprenticeships ready for success.

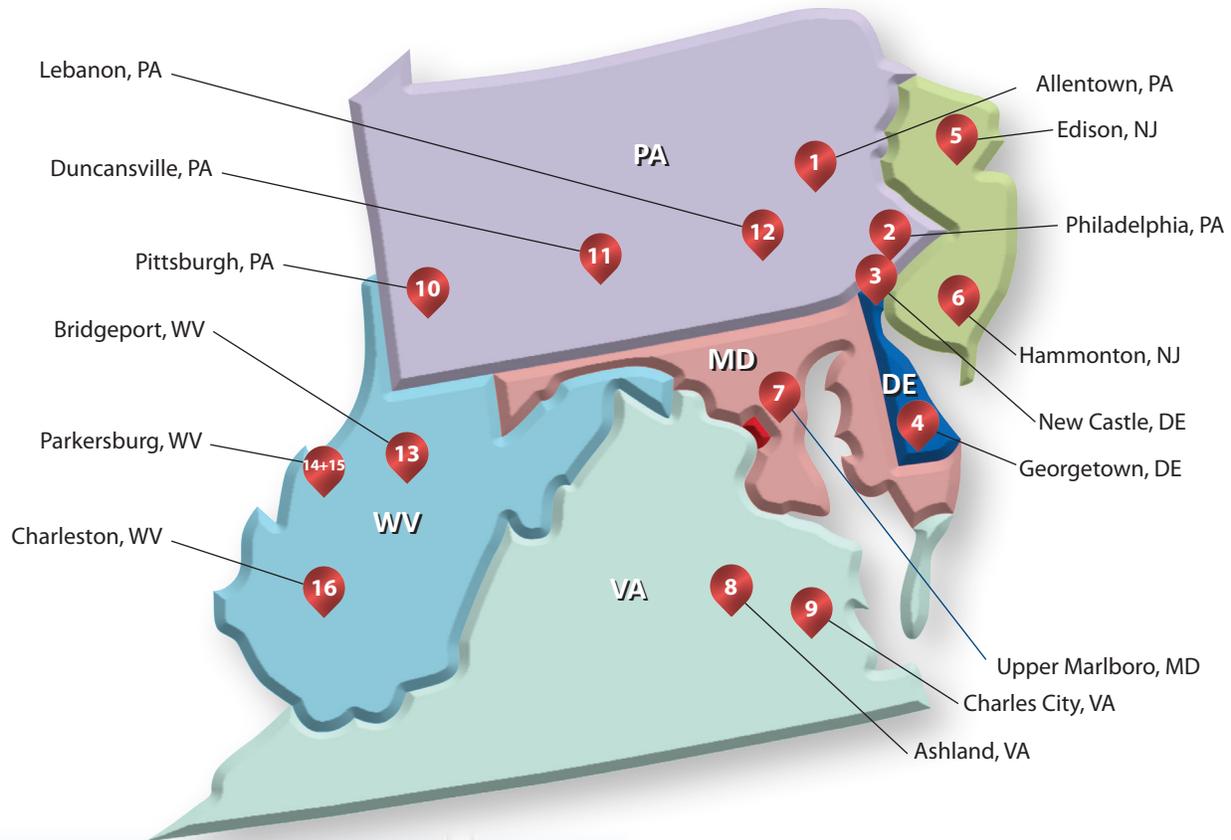

Allow us to explain and demonstrate how the Career Connections curriculum will help you in the classroom and add to your students' future skill set.
