The Ripple Effect

Dan St. Romain

ABOUT THIS SESSION: When you throw a stone into a pond, sometimes it simply sinks—“plop”. However, if thrown just right, the rock skips. Instead of the singular “plop”, the skipping rock reaches more water, leaving ripples on the surface – and this energy changes the entire pond. As educators, we throw the stone. In this dynamic opening session, educators will learn simple ways we create ripples in the school setting that positively impact the students we serve.

SPEAKER BIO: Dan St. Romain is a national independent educational consultant who provides staff development and consultative services to educators and parents working with children at all developmental levels. Dan is passionate about helping individuals shift their perspective on discipline, understanding the best ways to provide support given the challenges posed in today’s society.

After receiving his master’s degree in education, Dan worked in both private residential and public school settings, as well as at the Region 20 Education Service Center in San Antonio, Texas. His work as a self-contained behavior unit teacher, educational diagnostician, behavior consultant, and director of a learning resource center has afforded him experience at all levels, in both general and special education settings. Dan is now enjoying semi-retirement after having worked in the school system for the past 30 years.

Dan’s overwhelming strength is his skill as a presenter. Although his sessions are exceedingly interactive, his greatest asset lies in his ability to offer participants rich insight into the connectedness between educational practices and student behavior. He is the author of *Lessons from LaRoux: How Needs Shape Behavior in Developing Brains*, *Teach Skills and Break Habits: Growth Mindsets for Better Behavior in the Classroom*, *Positive Behavior Principles: Shifting Perspectives and Aligning Practices in Schools*, and several resources for teaching social skills, featuring his chameleon, Juan Pablo.

Dan will also be presenting two breakout sessions.

Passion, Purpose, Position

Ashley Wright

When you identify your strengths and align them with your goals, you’ll truly discover the impact you can have in your school and beyond, and leave a legacy with every individual you encounter. Become transformed and motivated to make a difference in the lives of your students, staff, and community.

SPEAKER BIO: Born and raised in Houston, TX, Ashley Wright has been an educator for the past 14 years, and a certified school counselor and licensed professional counselor for the past 5 years. Her experience as an elementary classroom teacher helped her to realize students were having endless challenges that dealt with home, school, and peers. She later decided to become a school counselor in order to fully serve and connect with students campus-wide and in her community. This move enabled her to reach more students with social-emotional support and strategies/tools to enhance their resilience and relationships.

Recently recognized as the 2022 American School Counselor of the Year Finalist and 2021 Texas School Counselor of the Year, Ashley continues as a national speaker and advocate of the profession to teach students and educators to accept diversity, increase self-esteem, build character and maintain resilience.
