

DIGITAL BULLETIN BOARDS

Partner with **OnDeck** and place a digital board in your hallways to promote your school's messages to students - instantly!

What is it?

- A 55" eye-catching digital board in your school featuring **LOCAL** and **NATIONAL** colleges!
- Let students know about deadlines, scholarships, programs, and opportunities !
- Drive students to Counsellors and Recruiters for more college information

OUR MISSION

To connect students with higher-ed institutions & keep them up-to-date with your school's messages!

HELP STUDENTS!

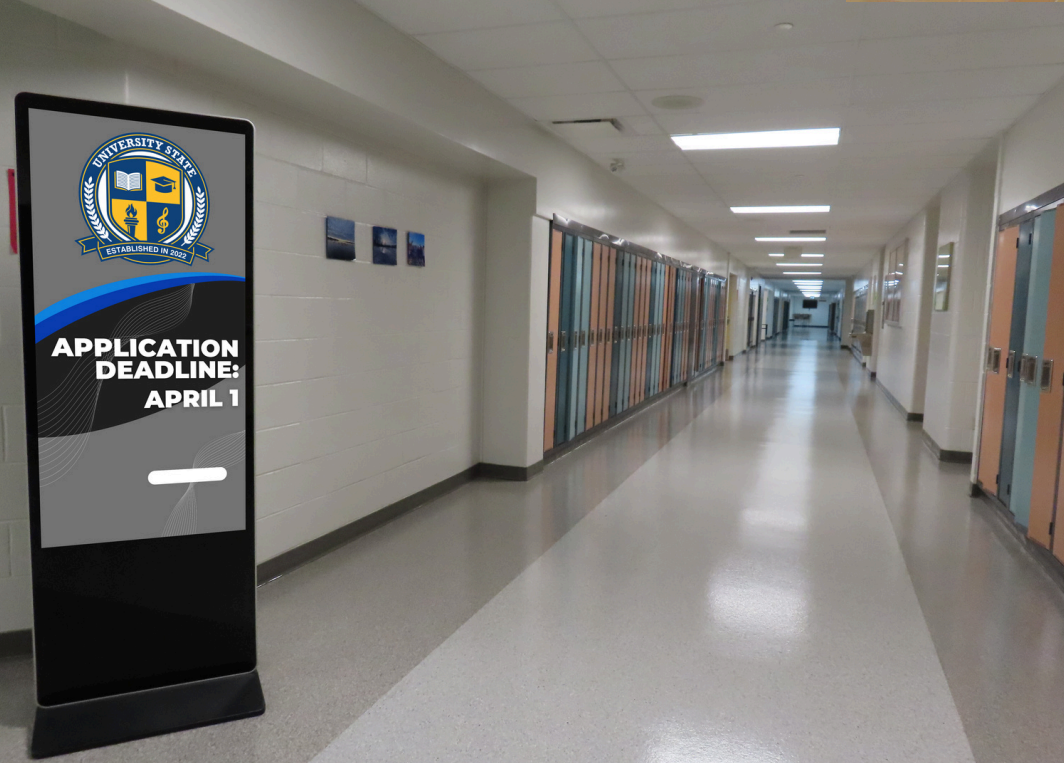

It's been a great reminder for big things like applying for scholarships and open houses because I see it everyday!

MITCH SCHENN, Student

OnDeck only works with Colleges & Universities!

The only messaging on these boards will be educational & informative for your students!

INFORM

Amplify Your School's Message!
Use the digital bulletin board to inform students of your school's info & events:

- Important deadlines
- School Events
- Schedules & Maintenance

WHAT DOES IT COST?

Nothing! We want to ensure students know all the higher-ed options available to them. We provide the digital boards at **no cost**. We can thank the colleges across the country for funding this initiative!

BENEFITS TO YOU!

The digital board has been an invaluable tool to inform our students about their future educational paths.
