Your teen deserves a supportive, caring environment to find health and healing. Old Vineyard uses evidence-informed, specialized adolescent services including optional discussions for addiction and trauma.

We provide quality treatment for adolescents ages 12 to 17 with inpatient programs to meet their needs.

We believe in a person-centered approach that values the dignity of the individuals we serve by treating them with compassion and respect.

Why you should choose Old Vineyard Behavioral Health Services:

- Specialists in treating adolescent (12-17) and adult behavioral health conditions
- Level-of-care recommendation, 24 hours a day, 7 days a week, at no cost. No referral is necessary
- Accepts most major insurances including Blue Cross® Blue Shield®, UHC and private insurance. TRICARE® in-network
- Evidence-informed, specialized services for adolescents and adults. Programs are four to six weeks in duration
- Daily academic instruction with a state-certified teacher throughout adolescent inpatient stay
- Multidisciplinary teams including board-certified psychiatrists, registered nurses, master's-level unit clinicians and mental health technicians
- Daily psychoeducational groups for all genders along with individualized adolescent workbooks based on specific diagnosis
- Optional adolescent group discussions on addiction and trauma
- Encourage visitation and participation in treatment from family and other support systems
