

Naviance CCLR

COLLEGE, CAREER, AND LIFE READINESS
FOR EVERY STUDENT

PowerSchool Naviance CCLR, part of the College, Career, and Life Readiness Cloud, is a college, career, and life readiness platform that grows with students from elementary school through high school. Helping students build social and emotional learning skills, discover their strengths and interests, and explore colleges and careers, Naviance CCLR supports every student in creating their best-fit postsecondary plan.

Prepare Students for Postsecondary Success

Through Naviance CCLR's self-discovery, college planning, and career exploration tools, middle and high school students can plan for a future that aligns with their strengths and interests.

Streamline CCLR Processes

Enable school staff to more efficiently measure outcomes and manage administrative tasks, giving them time back to engage with students and support their success.

Foster Collaboration

Provide holistic counseling in a single platform where students, families, and staff can collaborate to build and track students' plans for future success.

Improve Student Outcomes

Provide schools and districts with insights to inform CCLR programs. With Naviance CCLR, counselors and administrators can track, measure, and drive the effectiveness of their CCLR initiatives.

Promote Equity and Access

Ensure every student has access to high-quality resources to build confidence and achieve milestones toward future success. Increase access to more students and families with multi-language supporting 70+ languages.

Engage Younger Learners

Provide elementary students with age appropriate content that helps them build confidence and excitement for their futures.

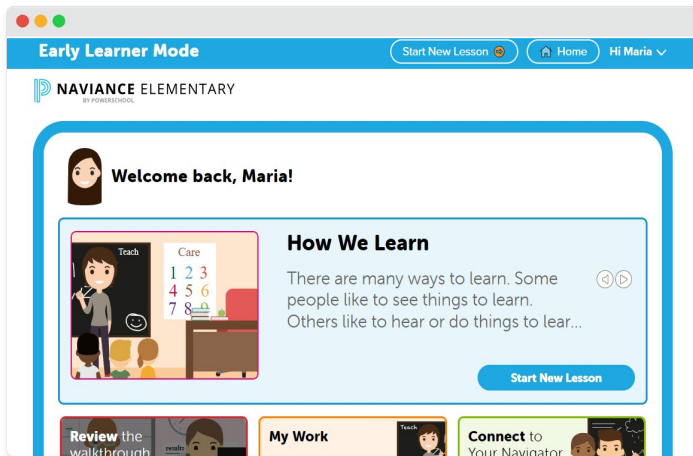

With a comprehensive program to protect the security and integrity of our applications—including robust cloud security, security by design, third-party penetration testing, and a responsible disclosure program—all validated by independent third-party auditors, **PowerSchool demonstrates our commitment to protecting our customer's data.**

“The Naviance platform provides us with needed tools and metrics to evaluate the impact of our work in preparing our students.”
