

Naviance CCLR Roadmap

EMPOWERING THE NEXT
GENERATION OF STUDENTS

In 2025, we're excited to introduce a next generation CCLR, designed to revolutionize the way counselors support students and prepare them for success beyond graduation. **Empower every student to discover their best-fit path and unlock a future full of possibilities.**

New, Comprehensive Work-Based Learning

Engage students in real-world experiences that prepare them for the future of work

- Employer management
- WBL opportunity discovery
- Engagement tracking
- Reporting and state mandate tracking

Best-in-Class Student Experience

Personalize students' college and career exploration experience

- New college and career profiles
- 1,000+ new career videos
- Information on credential & certificate programs
- New college application tools (unofficial transcripts & outside LOR)

New, Modern, Intuitive Staff Experience

Maximize counselors' impact with a modernized staff experience

- New, customizable staff dashboard
- New college application tools (FAFSA tracking, eDocs bulk send)

CCLR AI Assistants for Students and Counselors

Empower staff and students with AI and personalized planning tools

- PowerBuddy for students and staff
- AI for Letters of Recommendation
- AI College rep
