

## How do I participate?

1. Determine if your school was selected in the state sample. Contact TAMU at 979-862-3437 to find out.
2. Register your school using this web-based enrollment form  
**[TexasSchoolSurvey.org](https://www.texaschoolsurvey.org)**

**Classroom selection.** Number of classrooms depends on campus size. No student identifiers are ever requested.

## Supplemental Questions

For schools interested in understanding topics not covered by the survey (i.e., nutrition, exercise, etc.), up to 30 supplemental questions may be added. Contact TAMU for details.

# The Texas School Survey

## of Drug and Alcohol Use

**TEXAS**  
Health and Human  
Services

TEXAS A&M  
UNIVERSITY

*The Texas School Survey of Drug and Alcohol Use collects self-reported data on tobacco, alcohol and substance use from students grades 7 -12 in Texas public schools. The survey is sponsored by the Texas Health and Human Services and administered by Texas A&M University.*

## What do you get when you use the Texas School Survey?

### Flexibility

- You choose the date (*anytime from December through end of school year*).
- You choose the format (*paper or online*).
- You choose the time (*limit administration to class period or subject area*).

### Convenience

- Survey takes only one class period (about 40 minutes) to complete.
- Materials packaged in classroom envelopes for easy dissemination.
- Final reports delivered electronically.

### Support

- TAMU works with your survey coordinator throughout the survey process.

IRB NUMBER: IRB2020-1521D

## How will the survey benefit my school?

Participating schools get a \$500 payment and a campus report detailing survey findings, which are useful for informing and developing:

- Grant applications.
- Campus improvement plans.
- School board presentations.
- District programs.

State, regional, district and campus reports available.\*

\* District and campus reports may require sampling more students.
