

Immigr8

Support for today's Global Students

Immigr8 is a premier provider of foreign, domestic, and home school transcript evaluations. We ensure curriculum alignment so that students are placed appropriately and accurately. Your time is important so we pride ourselves on the quickest response time in the industry. We support all 195 incorporated countries and can translate in over 30 languages.

01

Transcript Evaluations

High quality, efficient, and comprehensive transcript reviews. Most evaluations provided within 24 hours.

02

Credit Alignment to State Standards

Credit determination aligned with state graduation requirements.

03

Streamline Enrollment

Maximize school counselors and registrars' capacity. Enroll and place students quickly and accurately.

04

Training and Partnership

Collaboration with your district and schools to meet the specific needs of your students.

05

Access to Resources

Gain access to resources that help educators better understand new student needs.

Learn how the Immigr8 team can help students in your district and ask for a free transcript evaluation.

info@immigr8.net

Immigr8 Inc. is a private agency that evaluates transcripts and provides an interpretation of records to local education agencies (LEA's). It is the receiving LEA's discretion to accept or reject the evaluation.
