Founded in 1988 by the Indiana General Assembly, the Indiana Academy provides:

- **A public high school** for Indiana's high-ability sophomores, juniors, and seniors
- **Outreach programs** for educators and students

Since our first class of juniors began in 1990, our students have received a **world-class education** with our graduates matriculating to the best colleges and universities in the country and around the world.

Our **highly selective** admissions process is based on a number of criteria including academic performance, essays, and recommendations.

All faculty have master's degrees. Many also have doctoral degrees.

Academy students earn the Core 40 with Academic Honors diploma.

Our Outreach Programs reach thousands of K-12 students and educators throughout Indiana and across the country.
