What is the YAC?

NJ4S-CGS Youth Advisory Committee

The NJ4S-CGS Youth Advisory Committee (YAC) is a leadership and mentoring opportunity for students in grades 6-12 who attend public or charter schools in Salem, Gloucester, and Cumberland counties.

YAC brings together youth who are passionate about making a difference. Members meet to share ideas and voice concerns that matter to young people, provide feedback on local programs and policies, and collaborate on youth-centered initiatives. Through this experience, students gain valuable mentoring support while developing leadership, communication, and teamwork skills – all while making a meaningful impact in their schools, communities, and personal lives.
