

LICENSED MENTAL HEALTH CERTIFICATION

DO YOU WANT TO BECOME LICENSED
AS A MENTAL HEALTH COUNSELOR?

Butler University offers an online program to bridge the gap between the 48-credit Master's in School Counseling and the 60 credits required by most states for a license in mental health counseling.

- ★ **100% online and synchronous with many opportunities for targeted synchronous engagement with faculty and other students.**
- ★ **Participate on your own schedule! Classes follow the academic calendar, but with no required meeting times.**
- ★ **Students are responsible for checking state licensure requirements and comparing against coursework.**

EPPSP

EXPERIENTIAL PROGRAM FOR PREPARING SCHOOL PRINCIPALS

WE PREPARE SCHOOL LEADERS

The Experiential Program for Preparing School Principals (EPPSP) is an innovative master's program that equips aspiring school leaders with the skills, knowledge, and real-world practice needed to meet the challenges of today's schools.

Through hands-on learning and a collaborative cohort model, EPPSP graduates step into leadership prepared to make a lasting impact.

Program at a Glance

- Degree: Master of Science (36 credit hours)
- Format: 2-year, 6-semester program
- Schedule: Tuesday & Thursday evenings, 7:00–9:30 PM
- Cohort Size: ~25 students for maximum collaboration
- Accreditation: Nationally recognized by the Council for the Accreditation of Educator Preparation (CAEP)

Why Choose EPPSP?

- Experience-based learning that mirrors real leadership challenges
- Small, supportive cohort environment
- Nationally recognized quality and rigor
- Direct application of leadership skills in your current school setting

☆ Application Deadline: November 1, 2025

☆ Cohort Start: January 2026 (Group 45)

APPLIED EDUCATIONAL NEUROSCIENCE CERTIFICATE

\$580/credit
hour

ADVERSITY | TRAUMA | THE BRAIN

Butler University is excited to offer a graduate, non-degree Applied Educational Neuroscience (AEN) Certificate designed for:

Educators, Counselors, Social Workers,
Mental Health Practitioners, Parents & Community Professionals

This 9-credit certificate equips you with the knowledge and tools to understand the impact of adversity and trauma on the brain, relationships, and learning—and how resilience and healing can be fostered through intentional practice.

Program Highlights:

- Graduate, Non-Degree Certificate (9 credit hours)
- 3 Courses – Two content courses + one practicum
- ONLINE - Combination of asynchronous Canvas coursework + synchronous Zoom sessions
- Cohort Model – Build community while learning alongside other professionals
- Capstone Practicum – Design a project, professional development, or template tailored to your interests

Why Choose Butler's AEN Certificate?

- At the forefront of cutting-edge neuroscience research
- Directly applicable to schools, mental health practices, and communities
- Emphasizes both trauma-informed care and resilience-focused growth
- Builds a supportive professional cohort learning community

★ Application Deadline: May 1, 2026

★ Cohort Start/Summer Intensive: June 22-26 2026
