

TELE HEALTH

QUALITY CARE WHEREVER YOU ARE

Access Behavioral Health Services from the comfort of your home. Telehealth provides access to services in a private and safe space.

BENEFITS:

- Individual Therapy
- Family Therapy
- Group Therapy
- Mental Health Screenings
- No Referral Needed
- Adults and Children

The Villages is proud to offer telehealth services to any Indiana resident with Medicaid insurance to ensure **children and adults** receive the support they need. No referral is required, and services are billed to Medicaid. Simply complete the consent forms, and our licensed professionals will provide virtual therapy and support tailored to individual needs.
