CONSULTING

One Tier. One Team.

One Child at a Time.

Ignited! Consulting partners with state associations, regions, districts, and schools to design, implement, and sustain Multi-Tiered Systems of Support through systems review, leadership coaching, and professional learning.

Our team of national consultants provides training, coaching, and consultation to help schools and districts:

- **Build Integrated MTSS Frameworks** that align academics, behavior, and social-emotional supports
- **Strengthen Practices** through evidence-based, culturally responsive, and restorative approaches
- **Grow Leadership Capacity** with coaching, mentoring, and implementation support
- **Support All Tiers** with problem-solving processes and targeted interventions
- **Empower Counselors & Educators** with ASCA Model alignment and special education coordination
- **Boost Engagement & Outcomes** by building strong teams, family/community partnerships, and improving attendance
