

SPECIALIZING IN PHP/IOP TREATMENT FOR Adolescents & Young Adults

Individualized mental health and co-occurring substance use disorder care across adolescence and young adulthood.

BasePoint Academy (ages 11–18)

BasePoint BreakThrough (ages 18–35)

CARE MODEL

SAME DAY ASSESSMENTS

Mental health assessments available
**7:00am–7:00pm, 7 days a week,
365 days a year**, by licensed clinicians
to help clients and families determine
the most appropriate level of care.

CLINICAL + MEDICAL MODEL

A **comprehensive model** combining
individual, group, and family therapy
with psychiatric care, delivered by
a multidisciplinary team including
on-site physicians.

TRANSPORTATION

Transportation provided to and
from treatment up to 25 miles
surrounding each location.

IN PERSON & VIRTUAL CARE

**Forney, McKinney, Arlington, Frisco, &
North Richland Hills** locations, **virtual
programs** available statewide.

OUR STORY

Founded to expand access to quality mental health care in Texas,
BasePoint was built on one guiding question that shapes how care is delivered:
What would I want for my family?

Scan the QR code to see how BasePoint's founding mission shapes care today.

Call **972-325-2633** to schedule a same day assessment.
