

One Place for Holistic Student Wellness

Support the whole child.  Wellness Connect transforms fragmented data into a unified profile, covering academic, physical, and emotional needs so every student feels seen and supported.

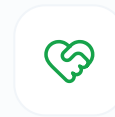

Assess Wellness

Evaluate academic and emotional health easily.

Coordinate Care

Connect staff and families for student support.

Track Progress

Monitor interventions and well-being trends.

Whole-Child Assessment

Evaluate academic engagement, physical health, and emotional stability through guided wellness checks.

Unified Student Records

See DAEP, Threat, and Wellness data in one view. Ditch the silos for a complete picture of student needs.

Parent & Team Alerts

Automate notifications and log every email. Ensure guardians stay informed throughout the entire process.

Audit-Ready Logs

Maintain unalterable records of every check, meeting, and document for full legal and state compliance.
