Beyond the Classroom

EXPLORE A WORLD OF LEARNING and growth beyond our campus. Through internships, service projects, and leadership opportunities, we'll help you grow in every direction.

Our Outside the Classroom Curriculum

(OCC) fosters leadership, community engagement, and personal growth, giving you tools for success wherever life takes you. Plus, students gain the confidence and skills to land that crucial first internship—from undergraduate research to real-world experience in the field. Students engage in meaningful learning from day one, whether that means working in a lab, conducting fieldwork, or stepping into the offices of Pittsburgh powerhouses like Dick's Sporting Goods, Westinghouse, UPMC, PNC Bank, and more.

Scholarship Programs Include:

- First-Year Honors Research Fellowship
- Brackenridge Fellowships
- Archival Scholars Research Awards

LEARN MORE ABOUT INTERNSHIPS AND CAREER PREP:

91% of Pitt students complete at least one internship or experiential learning program.

3,500+ internships secured annually across industries like healthcare, tech, business, and the arts.

TOUR THE'BURGH

HISTORY, CULTURE, AND INNOVATION converge to bring big-city opportunities with a small-town feel to the Pitt campus. But while you're here, treat yourself to everything this beautiful city offers:

- Explore Point State Park, where the Allegheny, Monongahela, and Ohio rivers meet.
- Ride the historic Duquesne Incline for panoramic views of Pittsburgh's famous skyline and rivers.
- Catch views of Acrisure Stadium, home to the Panthers and the Pittsburgh Steelers.
- Savor Pittsburgh's nationally acclaimed food scene, with adventurous restaurants, festivals, pop-ups, and food trucks—all within walking distance of campus. Ask for local tips—you won't be disappointed.
- Take in world-class art, science, and history. The Andy Warhol Museum, Kamin Science Center, and the Heinz History Center each offer unique insights into art, science, and local history.

Pitt's Student Success Hub has helped me so much. Whenever I was struggling in my classes, it was there to help me manage my time so I could bounce back. I feel like it's one of Pitt's greatest resources.

Apply Now!

Early application to Pitt (completed by December 1) gives you the best chance to be considered for first-year merit-based scholarships. Federal aid, grants, and loans are also available to eligible students who fill out a Free Application for Federal Student Aid (FAFSA).

APPLICATION CHECKLIST

THE UNIVERSITY OF PITTSBURGH APPLICATION runs on a process called Rolling Admissions. This means that the Office of Admissions reads applications as they come in, and return their decisions on a continuous basis. Applying early is a great way to improve your chances for admission. Pitt is test optional through Fall 2028.

Need help?

Our team is here to assist you:
pitt.admissions@pitt.edu,
(412) 624-PITT [7488] (Option 1)

- Apply online through either the University of Pittsburgh Application or the Common Application.
 - a. When applying to the Pittsburgh campus you can choose a second choice campus. Our 4 regional campuses are unique!
 - b. Decide whether you want to apply with your standardized test score(s). If you do, send us your official SAT and/or ACT score reports directly from the testing agency.
 - c. Submit either the Common App essay or Personal Statement on the Pitt Application
 - d. Decide if you want to apply to the Frederick Honors College or any Guaranteed Admission Programs. (Please keep in mind that there are deadlines associated with these extra opportunities!)
- Complete the Self-reported Transcript and Academic Record System or STARS (formerly known as SRAR/SSAR), which is built directly into the Pitt application. If you're applying via the Common Application, we'll send you separate instructions for submitting STARS.
- Submit your application with the \$55 application fee.
