Spot needs early

Attendance, grades and behavior, flagged before they become a crisis.

Track every student

Progress over time, and the history follows them building to building.

Stand up MTSS

Tiered lists built from live data, not last month's export.

Saved, secure, shared

Searches live in one place and adapt as you need, no ticket to central office.

See it on your data.

20 minutes. Nothing to install, nothing to prep.
